

## Practical Farmers of Iowa Cover Crop Cost-Share

Receive \$10 / acre on up to 200 acres or 10% of your farmed acres (whichever is larger).  
Receive \$5 / acre on everything above that.

There are no requirements on the species or seeding method used.

Farmers in Iowa, Illinois, eastern and central Nebraska, northern Missouri, southern Minnesota, southeast South Dakota, and eastern Kansas are eligible.

Go to [practicalfarmers.org/cover-crop-cost-share](https://practicalfarmers.org/cover-crop-cost-share) for more information and to fill out an application.
